HEADS' LETTER

JANUARY 31, 2008

**SPORTS CHAMPIONS: WARRIORS' BASKETBALL
CONGRATULATIONS!!!**

The athletic department is proud to announce that both the IDS Boys Varsity Basketball team and the IDS Girls Varsity Basketball team won both the Florida West Coast League (FWCL) season and the Florida West Coast League (FWCL) Tournament. At the end of each season for each of the sports, there is a play-off tournament. Because our Warriors won the season, the championship tournament games were played at IDS on Tuesday and Wednesday. Fortunately, we have two gyms for our students and plenty of room to play and host!

The other private schools played hard, but the **IDS Lady Warriors** won easily maintaining the lead. They had an amazing season and are proud to have won the trophy as the 2008 Girls' Basketball Champions for the FWCL League. Their season continues as they prepare to travel with Coach Sonny to Vermont at the end of February for another tournament hosted by the Rotary Clinic. This will be the third time that the team has participated in the Vermont tournament. Last weekend prepared them for tough tournament play as they participated in the St. Petersburg Christian Weekend Winter Tournament. They came away with the honor of receiving the Best Sportsmanship Award and experience in working with a whole different level of challenging teams. Bravo to our Lady Warriors!!! Bravo to Coach Sonny for building a team of dynamic and enthusiastic players.

The IDS boys had an amazing varsity team right from the start of the season. This varsity team has played together for three years and you could tell it in every game. It was one of those seasons that you had to hold them back from scoring since the League has rules about how many points you can have when you are in the lead. Although we had four boys basketball teams playing simultaneously this year, the varsity team is the one that is eligible each year to play in the final FWCL tournament. The boys won the tournament easily and had great fun all at the same time. This weekend, they are invited to participate in the St. Petersburg Christian Boys Tournament with some of the best teams in the Bay area. Congratulations to the boys and Coach Dewey for a wonderful season of basketball. Good luck this weekend and most important...HAVE FUN!!!

FOURTH GRADE MAKES EVERYONE PROUD

On Tuesday, January 29, the three fourth grade classes presented three separate performances of *Aladdin and His Wonderful Lamp* on stage in the Farish Center. All Pre-K through fifth grade students attended one of the performances as well as proud parents, grandparents, and friends who filled the front rows to enjoy an amazing production. The play *Aladdin and His Wonderful Lamp* combined music, dance, costumes, scenery and presentation skills to hold the attention of even our younger audiences for 80 minutes. Each of the three plays allowed every fourth grader an opportunity to act, sing and dance on a grand stage!

Mr. Travaglino did a wonderful job of producing and directing a delightful show that made everyone a star!! We are also proud of how our Fine Arts team works together to support the students all the way. Dance teacher, Ms. Kelly, choreographed and staged each of the dances and showed students how much fun dancing can be. The Music department, Mr. McColley, Mrs. McBride and Mr. LeBlanc, coached the students on their singing and WOW, could they sing. Mr. LeBlanc ran the sound and lights for all three plays. The Fourth Grade teachers, Mrs. Ausburn, Mrs. Rostick, Ms. Garrison and Ms. Gucciardi were a wonderful support backstage, while taking turns to see at least one of the shows from the audience view!

Everyone, including the Fourth Grade teachers, complimented the class for exemplary audience support of their classmates and for their excellent stage skills. They had a lot of lines and cues to learn on stage and they did it! However, off-stage they shined as well. They performed in one show and watched the other two shows with applause, standing ovations, laughs and decorum that showed a real community of support and caring for each other's success. People of all ages could learn from the Fourth Grade off-stage skills as well as on the stage. Fourth Grade, we are all proud of you for your great community spirit and the delight you brought to your audiences.

HEADS-UP: A VERY BUSY AND EXCITING WEEK COMING!!!

MULTI-CULTURAL DAY ON FEBRUARY 6: The Middle School students and teachers will sponsor Multi-cultural Day for the whole school. Pre-K through Fifth grade will experience the culmination of studies by the Middle School Sixth, Seventh, and Eighth grade students where there will be demonstrations, entertainment, international foods, and so much more to delight and excite the eastside students. They will share many facets and perspectives of living in a global world. Each year provides a new way of making the Middle School students model leaders for their younger IDSers. This year's plans are once again organized for every detail to make this special for the eastside students. Parents may come to observe and get a peek into this very special experience.

PRIMARY DIVISION CELEBRATES 101 DAYS OF SCHOOL FEBRUARY 7...IT WILL BE A SPECTACULAR MORNING ON THAT HALF DAY: It will be a day to smile and be amazed at what our Pre-K and K students can accomplish. Plus, it will be hard to recognize them because the teachers and students will transform themselves into what they might look like at 101 years of age. It will be a time to combine math, fun, and life skills for a dynamic day at IDS.

EARLY DISMISSAL FOR FACULTY INSERVICE ON THURSDAY, FEBRUARY 7: Half days are packed full of lessons planned by the teachers. Please treat the morning seriously as any other day. Extended Day is available for early release until 6:00 pm. Please call Marie Massara at (813) 961-3087, to make a reservation. **If you choose the Extended Day option, please send a lunch with your child.**

SPENCER AND LAURIE KAGAN: KAGAN COOPERATIVE LEARNING FEBRUARY 8 AND 9: It is the ninth annual visit of teachers and administrators from around Florida and the US to come to IDS to observe our teachers in action with our students!! The Kagans call IDS one of their demonstration schools as they present all around the US and the world. This year they will have been to Australia, Singapore, and IDS...plus many other places!!! The USF David C. Anchin Center and the Florida Council of Independent Schools co-host this event. We are honored to hold this event at IDS again, and we applaud our teachers for being willing to teach in front of their peers as they model exemplary lessons. They deserve the accolades they receive....there are few schools in the world that can claim such service to their colleagues. We expect 100 plus people on Friday and over 300 on Saturday. For more information about this event, please go to this link: http://www.kaganonline.com/email/workshop/tampa_2_8-9_08.html

A HUGE BRAVO goes to Chairperson Julie Salek for organizing a day full of smiles and productivity on behalf of IDS.
