

HEADS' LETTER

AUGUST 21, 2008

EXCITEMENT, ENTHUSIASM, AND HIGH EXPECTATIONS MARKED THE OPENING OF THE 2008 – 2009 SCHOOL YEAR

One of the great parts about going to school is that each year has a new beginning. The funny part of this process is that the beginning of school comes around the end of August, while most beginnings traditionally follow the calendar change from December 31st to January 1st. This traditional summer break has its roots in the 1800's, known today as the Agricultural Age, during the time when children were needed to help in the fields. The agrarian society has long been over and since followed by the Industrial Age, the Technological Age, and the Information Age. That is a long time to hold on to a tradition, especially now, when we know that a summer away from school can produce a "memory gap."

Therefore, beginnings of school are all about helping students **retrieve** information from long term memory storage, **discover** what needs review and clarification, and **gain** excitement about what is coming next! Doing this in a way that ignites the spark and excitement for learning is the goal of all great teachers! So, this year began with your IDS teachers setting high goals, not only for our students, but for themselves as they work every day to meet and exceed their own expectations as well as yours.

August 20, began with a **WOW!** Welcome back themes set the tone for learning, character building, self-discipline, team work, creativity, and dignity and respect for how we interact with one another. Building expectations for a strong and responsible work ethic will continue to be emphasized in these early weeks and modeled by our very dedicated, high achieving teachers. We look forward to sharing smiles and joy in teaching and learning with all of our IDSers and their families. So, a big welcome back to everyone!!

WELCOME BACK TAKES TEAM WORK!

The opening day seemed to be an easy one. Students and parents were greeted to a beautiful campus. Systems were set up to collect the many data items required for schools to maintain. Classrooms were cleaned, painted, sparkling, and decorated with a fresh look. New technology was up and running everywhere. A new database system to communicate easier with our families is in the pilot stage. Supplies were ready for each student and for classes. School apparel was delivered to classrooms. There was assistance in helping people park the first day. Busses were gassed up and polished. First rate technology support was appreciated by all...etc. etc. etc.!

It takes a lot of preparation and teamwork to accomplish so much in such a short time after running a camp for seven weeks with over 750 campers. What it takes is teamwork!!! **A STANDING OVATION goes to our Facilities Team, Office Staff, Technology Team and Catering Service for their exemplary teamwork, attention to detail, support of the TEACHERS, and willingness to serve others with smiles and dedication. This school is a labor of love for them and you can see it in all they do!!! We certainly are grateful and appreciate all they accomplish each and everyday for all of us!**

ANNUAL WELCOME BACK PARTY

FRIDAY, AUGUST 22, 2008, FROM 7:00 – 10:00 P.M.

Friday night, August 22, 2008, 7:00 - 10:00 p.m. is our ANNUAL WELCOME BACK PARTY held in the Parish Center for **ADULTS ONLY!!!** This annual event welcomes both returning and new families to IDS. It is a wonderful time to meet your teachers, meet new people, and make connections with other parents in the school and in your classroom. It is a night to party, enjoy each other, and appreciate all of our many blessings! This year's Welcome Back Party is graciously underwritten by:

THE AMAZING AFTER SCHOOL ACTIVITIES PROGRAM BEGINS TUESDAY, SEPTEMBER 2, 2008

Every year, the Afternoon Activities fill up quickly because of two simple reasons: They are fun and well worth the time. Lots of people were closed out of camp this year, because they waited and everything filled up quickly. The same can happen with our activities, which all receive great reviews over and over by our best evaluators...the "kids". There are 25 options to sign up for this first round of activities which last four weeks. The registration form and brochure are enclosed. **Please fill out and return in your Thursday folder with your payment.** If you have any questions, please call the office at (813) 961-3087. We are always pleased to help.

COMMUNITY SCHOOL OF THE ARTS BEGINS A NEW SEASON

Curtains up, light the lights...music lessons, drama, dance, and art, all begin again right here at IDS. Join the over 200 students, both adults and children who take part in these great offerings. You received the green brochure in your Back to School Packet. All of the lessons and classes in music, dance and art are listed in the CSA Fall Catalog. There are additional copies in the office and music room. If you have questions, please email us at csa@idsyes.com

The Community School of the Arts will be presenting the junior version of the classic musical, *The Music Man*. Auditions are on Saturday, August 30, from 9:00 a.m. - 12:00p.m. and rehearsals begin the following Saturday. Our production team includes our outstanding new director, Jennifer Barnikow, assistant director, Jeanne Rivera, choreographer, Lisa Ferlita, and music director, Barbara McBride. Students from grades 3 - 12 are invited to audition. Get your form in right away. This will be great fun! Registration forms are available in the office and the music room.

ODDS AND ENDS THAT MAKE A DIFFERENCE:

MIDDLE SCHOOL SPORTS KICK-OFF SEASON: FALL SPORTS INCLUDE SOCCER, VOLLEYBALL, AND CROSS COUNTRY: The coaches would like to invite all parents of prospective athletes to a orientation meeting on Wednesday, August 27, at 4:30 p.m.

Once again, those who have turned in everything, please know we send you much appreciation as we work to efficiently and speedily process everything for a great new year!

PROUD MOMENTS SOAR FOR OUR IDSers

TO OUR IDS FAMILIES, PLEASE SHARE SPECIAL MOMENTS SO THAT EVERYONE CAN ENJOY WITH YOU.

Avi Baskin, (IDS Sixth Grade) an organizer of the IDS Green Club, was featured in the St. Petersburg Times over the summer. While reading the paper, she came across an opportunity to spread her passion for the environment through poetry and artwork. XPress, the SPT section for young readers, offered a competition for 9-17 year olds and Avi saw this as a chance to express herself. She chose to address the need to protect the environment and said that she wrote with real emotion because this is something she really believes in. Avi's was one of the first entries selected for publication and one of a few to have both artwork and prose featured. Avi said she was "immensely excited, for now people could look at it and really think about the world in they live."

IDS Parent Stephanie Desmarais-Georgiades, the President of the Gifted Advocacy Council of Hillsborough, Inc., was recently appointed to the Board of Directors as the Parent Liaison/Chair of the Florida Association for the Gifted (www.flagifted.org). Stephanie is also Co-chair of Parent's Day (11/1) at the National Association for Gifted Children's (www.nagc.org) Annual Convention being held October 29 - November 2, at the Tampa Convention Center. Congratulations Stephanie, for always making a difference!
